

Faithful readers of Robin Jones Gunn who have been asking for more of Christy and Sierra will be thrilled to see these two stand-alone stories, packaged together as one.

Before they met each other, Christy Miller and Sierra Jensen each went on a vacation that challenged them to make decisions about their friendships and their futures. Those summer choices led both of them to England where their friendship was formed. With these two novellas readers not yet familiar with either the Christy or Sierra series will get a taste of the personalities and the common adventures of each character without being out of sync with the entire series.

On Sale: 5/3/2011 • ISBN: 978-1-60142-346-7 • Price: \$9.99 • Format: TP
